PEABODY CALLED IN INSURANCE SCANDAL

Jerome Issues Subpoena For Mutual Life President.

WILL BE LEADING WITNESS

It is Believed That Peabody Will Tell Many Things Armstrong Committee Could Not Ascertain—McCurdy Will Testify.

New York, May 11.—District Attorney Jerome has issued a subpoena for Charles A. Peabody, president of the Mutual Life Insurance company, compelling his attendance before the special grand jury investigating insurance matters.

President Peabody, it is understood, will be a leading witness, and will tell all he knows about the transactions carried on through the Mutual's department of purchase and supplies during the old regime. Since Mr. Peabody started out on the task of searching the history of this department he has had a special committee at work investigating its affairs and he will be able to tell the special grand jury a good many things the Armstrong legislative committee was not able to learn. Mr. Jerome has not yet determined when Mr. Peabody will be called.

McCurdy Will Testify.

New York, May 11.—At the district attorney's office Thursday it was announced that Richard A. McCurdy, former president of the Mutual Life Insurance company, and his son, Robert H. McCurdy, will be available when wanted in the investigation into the insurance matters now conducted by Mr. Jerome.

It was announced also that despite reports to the contrary, Robert H. McCurdy is in this country. His father is in Europe. The special grand jury which is investigating insurance had before it as a witness Edward R. Rodgers, of the firm of Lysander, Lawrence & Co., printers, for the Mutual Life.

Hornblower Quits New York Life.

New York, May 11.—The resignation of William B. Hornblower, the New York lawyer, from the board of trustees of the New York Life Insurance company, was made public Thursday.

Dalton Seeks Mayors' Meeting.

Dalton, Ga., May 11.—Mayor H. P. Colvard, of Dalton, who will represent this municipality in the meeting of Georgia mayors, in Augusta, next month, will use his influence toward the end of securing the next convention for Dalton. The local board of trade and city council are behind the mayor in this movement and will exert every effort in the furtherance of the cause. Dalton is well able to take care of the business and entertainment ends of the convention if the body decides to come here.

Hold Meeting in New York.

New York, May 11.—The proprietary Association of America, one of the defendants in the petition filed by Attorney General Moody, for an injunction to restrain certain associations, corporations, and individuals from controlling prices in the drug trade, is holding its annual meeting in this city. During Wednesday's session the announcement of the attorney general's action was read to the members. Everybody in the association, said President Cheney afterward, took the petition as a joke.

Emperor's Reception Passed Quietly.

St. Petersburg, May 10—2.30 p. m.—The emperor's reception passed off without any untoward incident. The tone of the speech from the throne was conciliatory. It expressed the emperor's wish that relief be given to the peasants in their present unfortunate conditions and called on the members of parliament to put their hearts into their work and to co-operate with him in solving the present problems of Russia and in handing down a united and prosperous empire to his successor.

EARLY ELECTION FOR BONDS.

Macon Will Sell Land to Pay Off Indebtedness.

Macon, Ga., May 11.—The city council has arranged for the sale of a portion of the city land reserve early in June, acording to a previous ordinance offered by Alderman Bornes.

The purpose is to dispose of lands and secure large funds for payment of floating indebtedness. Through Alderman Dure a resolution passed council calling for an election to issue $100,000 in bonds for paving purposes. The election will be called at an early date and the people of the city will decide upon the issue. A measure of this character was defeated last year.

Train is Robbed by Bandid Gang.

Vancouver, B. C., May 11.—The imperial limited on the main line of the Canadian Pacific was held up 25 miles from here early Wednesday. The robbers compelled the engineer to uncouple the mail car from the rest of the train, and haul it a mile away, where they rifled it of the registered letters. The robbers were under the impression that the express packages were in the mail, but when they discovered their mistake, they had not nerve enough to go back for it, and slipped away in the hills. The robbery occurred near a small station called Furrier, between Kamloops and Ducks. Special officers have been sent up from Vancouver to pursue the robbers. The passengers were not molested.

Farmer Wilson Will Be Probed.

Washington, May 11.—The agricultural department is to be investigated. The house has empowered the committee on expenditures in the agricultural department, of which Representative Littlefield, of Maine, is chairman, to conduct such an examination. Mr. Williams, of Mississippi, said that this investigation was a step in the right direction, and he hoped the other committees of the house dealing with the expenditures in the several departments would follow suit. He believed that such investigation would tend to economy in the departments, and if this be accomplished in a small degree, the most of the investigation would be money well expended.

Central Road Office Burns.

Savannah, Ga., May 11. Shortly after midnight Wednesday fire was discovered in the main office building of the Central railway, on West Broad street. Flames were bursting from the windows on the top story when the firemen arrived, and before the fire was extinguished it had destroyed most of the records stored on that floor. Water damaged the offices of the officials in the building. The fire had smouldered for hours and it is believed to have originated from some clerk or official having dropped a match or lighted cigar among the records while searching through them during the afternoon.

Two Brothers Shot To Death.

Conroe, Tex., May 11.—John and Steve Beeson, brothers, were shot and killed by Harry Bendy, at a saw mill about 2 miles from this place. Bendy is foreman of the mill. The men killed, former employes, appeared at the mill and attempted to close it down. Bendy demonstrated with them, and finally succeeded in partly pacifying them. They returned later, however, and advanced on Bendy with drawn knives, when he opened fire on them, with a shotgun, killing them both instantly.

Says Rumors Are Untrue.

Raleigh, N. C., May 11.—Statements have been made in some of the newspapers that work on the South and Western railway had stopped. From a well informed gentleman it is learned that this news and also the rumor that the road had been sold to the Southern are untrue.

May Be Offered the Place.

Athens, Ga., May 11.—It is rumored on good authority, that Dr. Robert J. Willingham, of Richmond, Va., will be tendered the chancellorship of the university of Georgia, if he will accept the position. Dr. Willingham is a Georgian and a graduate of the university.

MRS. JEFFERSON DAVIS IS DANGEROUSLY ILL

So Serious is the Illness of Mrs. Davis That Her Daughter, Mrs. Addison Hayes, Has Been Summoned to Her Bedside.

New York, May 11.—Mrs. Jefferson Davis, widow of the president of the Southern Confederacy, is dangerously ill of the grippe in her apartments in the hotel Gerard, in West Forty-fourth street, this city.

Charities Conference in Session.

Philadelphia, May 11.—The thirty-third session of the annual conference of charities and corrections opened on Thursday in this city. After the presentation of the report of Lee K. Frakel, manager of the United Hebrew charities, of New York, a paper on "Relief work of the Salvation Army," was read by Edwin D. Dolenberger, general manager of the associated charities of Minneapolis. He declared that the so-called relief work of the Salavation Army as carried on through its homes, lodging houses and other agencies, is poorly organized and poorly administered, and that the "so-called charitable work of the Army is largely subservient to financial interests."

Union Label Wanted on Ballots.

Richmond, Va., May 11.—The union labor vote of the city will decline to go to the polls in the approaching primary unless the ballots bear the union lamel. The Central Trades and Labor Council has notified the chairman of the Democratic party in the city of this effect. It is claimed that the last ballots used came from a printing house that has refused to sign the existing agreement for an eight-hour work-day.

Quelled Wife's Anger with Revolver.

Macon, Ga., May 11.—George Newton, a negro who found his wife angry when he started to move his trunk and clothes, when he concluded that life was too stormy with her, fired at her twice with a big revolver, when she interfered with his plans, and was bound over to the superior court by Recorder Nottingham, under bond of $300. He paid his wife's fine of $20 in police court.

A Peculiar Strike.

Columbus, Ga., [illegible] colored brick masons on the [illegible] Columbus Coca-Cola Bottling company's building have gone on a strike because stonemasons, instead of bricklayers, were placed at work laying the concrete hollow blocks which will form the front of the building. They claimed that the work should be classified as that belonging to bricklayers rather than stonemasons.

CHOKING AS CURE FOR INSANE.

That Remedy Employed in a Government Asylum.

Washington, May 11.—During Wednesday's session of the committe appointed by the house to investigate St. Elizabeth's insane asylum testimony from nine witnesses, including ex-employees, ex-patients and others who had relatives in the institution was heard.

T. W. Belt, of Leesburg, Va., who was an attendant from December 11, 1905, to March last, said he was discharged because he complained of the way in which the chief attendant, Clark W. Teats, treated patients. In the case of the pitent named Rekles, from Pennsylvania, who had been fed on liquid diet for several months, Belt and Teats knocked Renkles down many times. After one such occurrence Rekles died within a week.

In the case of an old soldier with a broken leg, Teats, the witness said, delighted in lifting up this leg and letting it drop just to hear the old man yell and curse. This patient died also. Teats, he said, is still holding his position.

Mrs. Alice Carraher, whose husband is an inmate, said he had been given black eyes seven times, although he was bed-ridden.

Joseph A. Kensy, a tailor, who had been twice an inmate, but is now discharged, as cured, said he was told that choking was the surest remedy for insanity. It was administered to him repeatedly, although he said, he was not violent. He had his ribs broken by a patient, who, he said, had since been cured, and who had said an attendant told him to do so.

New Society Organized.

Albany, N. Y., May 11.—The International Society of the Daughters of the Empire, formed for the purpose of observing national holidays and benefiting women born in the United States whose parents may now be residing in other states or countries by uniting them for social, intellectual or philanthropic objects was incorporated Wednesday at the secretary of state's office. The principal offices will be in New York city, and the directors are Dimies T. S. Denison, Charlotte B. Wilbur, Myram Mason Greeley, Edna T. Judge, Delacy Emerson, all of New York city.

Shears Cut Man Into Bits.

Pittsburg, Pa., May 11.—Challoner Dickson, 27 years of age, was cut to pieces by revolving shears at the McKeesport tube plant. Dickson was in charge of the machine and in some manner his hand became caught in the machine. He attempted to draw it out, but the shears slowly drew his hand deeper into the jaws of the machine. Before the machinery could be shut off, Dickson had been dragged into contact with the sharp blades. The machinery was finally stopped, and the body was removed in fragments.

Will Put End to School Societies.

Chicago, May 11.—The Chicago Board of Trade on Wednesday night took the most stringent action possible under the law to put an end to high school fraternities and societies. By a vote of 10 to 5 the anti-frat rule was made operative. Its operation will deprive the high schools of a number of their best athletes of their spring track events, and some of the best men on the baseball team. It will also disrupt a number of the debating teams and may put an end to the coming oratorical contest.

Earth Shocks in Wyoming.

Chicago, May 11.—A dispatch from the Inter Ocean from Cody, Wyom., says that at 6 o'clock Wednesday night an earthquake shock lasting nearly a minute passed through the Elkhorn valley, moving north and south. No damage is reported from the [illegible] towns which have telephone to the news.

Stillmore, Ga., May 11.—In a fight between Plare Dixon and Tom Elmore, the former was killed and the latter is thought to be mortally wounded. It is said that Elmore assaulted Dixon with being too intimate with Mrs. Elmore.

WERE SECRETS SOLD TO UNITED STATES?

Germany Accuses Three Men of High Treason.

WASHINGTON IS NOT TALKING

Alleged that They Sold Drawings of Submarine Mines to Representatives of United States—Washington Professes Ignorance.

Leipsic, Germany, May 11.—The imperial supreme court here has concluded the trial of Otto Senftenleben, a former clerk in one of the government departments in Berlin; Konrad, a mechanic, and Io Lucke, a commercial traveler, all of whom are charged with treason in selling to a representative of the United States legation at Brussels a submarine with anchoring apparatus and the drawings belonging to them. The prisoners are also charged with selling similar drawings to Russia and with having constructed a mine in Brussels which was bought from them through a French intermediary.

Senteniehen was sentenced to four and Konrad to three years at penal servitude and five years loss of civil rights and to police supervision. Lucke was acquitted.

The sessions of the court were held behind closed doors.

Washington Not Talking.

Washington, May 11.—Plans for submarine mines with shore connections, such as are referred to in the Leipsic dispatch fall within the control of the army in this country. Hence it would fairly be assumed that if any effort had been made to obtain possession of the secret plans of any German devise of this kind, one of the American military attaches in Europe must have been the active agent.

At the war department it was of course stated that nothing was known of any such transaction as the reported surreptitious purchase of plans for the mine and attention was immediately directed to the fact that there was no military attache to the American legation at Brussels, and the officials were prompt to disclaim any knowledge of the affair.

C. & O. Limited Wrecked.

Cincinnati, O., May 11.—A special from Portsmouth, O., says that the Chesapeake and Ohio Limited, which left Cincinnati at 9:10 Wednesday night, was wrecked near Buena Vista station, one hundred miles east of Cincinnati at about midnight. The sleeper was ditched, but of the 16 passengers on that car, only four women were injured. Several of the trainmen were injured. Mrs. D. J. McKelvey, of Cincinnati, was seriously injured, but will recover. The other three women are unknown. The porter, Thomas Gray, and Brakeman Alfred Hinton, were badly hurt. A broken rail caused the wreck.

Adkins' Trial Postponed.

Washington, Ga., May 11.—The trial of Mell and Alex Adkins, charged with having been implicated in a plot to kill Benjamin H. Atkin, on the night of February 10, in this county, should have come up for trial Wednesday morning, but owing to the illness of the prosecution, it was postponed until Thursday. This is the most important case to come before the present term of Wilkes superior court. Indications now point to the continuance of court throughout the entire week.

Orphans Bound for Texas.

New York, May 11.Fifty-eight little boys and girls, all spick and span, marched up the gangplank of the Southern Pacific steamer Proteus and immediately took possession of the second cabin saloon. With shouts of childish glee they descended on the stewards and were soon very much at home. They are orphans from the New York foundling and orphan asylums, and are going to northern and central Texas, where they are to be adopted by 58 families.

GRAND JURY VINDICATES STROBHAR

Returned No Indictment Against Him in Every Case.

BESIEGED BY HIS FRIENDS

All Were Glad of the Report—Prosecution by A. C. L. Was Vigorous, and Among Witnesses Were Many Expert Accountants and Auditors.

After thoroughly investigating the cases of the Atlantic Coast Line vs. J. N. Strobhar, former agent of the Atlantic Coast Line in this city, alleging the embezzlement of funds of that company while acting in the capacity of agent, the grand jury has returned a report of no indictment in each case, which thoroughly vindicates Captain Strobhar from any charge whatsoever as made by the plaintiff.

Captain Strobhar has been vigorously prosecuted by the Atlantic Coast Line. Among the witnesses before the grand jury were a number of auditors and accountants of the company, and notwithstanding that no stone was left unturned, the jury returned a "no bill" in every count.

Captain Strobhar, it will be remembered, was acquitted upon practically the same charges in the superior court of Fulton county, in Atlanta, a few days ago. A requisition was made by Governor Broward upon the Governor of Georgia, but was refused. Notwithstanding this, Captain Strobhar returned voluntarily to Gainesville and gave himself into the custody of Sheriff Fennell, giving bond immediately for his appearance before the grand jury. He met the charges squarely, and friends are rejoicing with him over his victory in the matter.

Captain Strobhar had employed as counsel Attorneys Evans Haile and B. A. Thrasher.

THE CIRCUIT COURT.

At Friday's Session Many Cases Were Disposed Of—One Conviction.

The circuit court convened at 9 o'clock Friday morning, His Honor Judge Wills presiding.

A number of cases were disposed of by continuing, while the State vs. James Banks, charged with murder, resulted in a verdict of manslaughter.

The case of the State vs. R. D. Middleton, selling liquor in a county which had voted against the sale of same, was brought up. The defendant was arraigned and plead not guilty. Jury called and sworn, evidence submitted, and a verdict returned of not guilty.

During the day the grand jury came into open court and reported five "no bills" and one indictment.

Court adjourned until 9 o'clock Saturday morning.

VARIETIES OF CRAMPS.

Curious Afflictions of Men In Various Walks of Life.

One of the curious consequences of the modern division of labor is the cramp that attacks those who constantly use their hands in one particular manner.

Writing cramp was the first to appear, being quite unknown until the introduction of steel pens. It affects men far oftener than the fair sex, and, singularly, those who suffer are not literary men, but copyists. It is almost incurable, and even when the left hand is used the cramp very soon crosses over to it.

Musicians of every kind are attacked. Among pianists it is chiefly ladies ambitious to become professionals who are the victims. Violent pain, weakness and fatigue of the arm make playing an impossibility. Violinists are affected both in the fingers of the left hand and the hand that holds the bow. Clarinet players get cramps of the tongue, and flute players get cramp in the larynx.

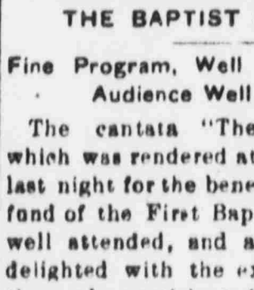
Telegraphers suffer very often, and they call it "loss of the grip." Tailors get cramps in legs as well as hands. Smiths and carpenters get what is called "hammer cramp," resulting from the enormous number of blows struck. It is estimated that a forger of knives and scissors strikes 28,000 blows every day.

Drivers get cramps in the hand, especially in the case of those who break in hard mouthed horses. Cigarmakers, watchmakers, photographers, auctioneers, lawyers, billiard players, dentists, turners, stampers, weavers, painters, money counters and ballet dancers—all suffer from their own peculiar cramps and often so severely that they have to exchange their employment for some other.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.



What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

THE BAPTIST CANTATA.

Fine Program, Well Rendered and Audience Well Pleased.

The cantata "The May Queen," which was rendered at the opera house last night for the benefit of the paving fund of the First Baptist Church, was well attended, and all present were delighted with the excellent work of those who participated.

The entertainment opened with a piano duet by Misses Wainwright and Bennett, which was well rendered. The Misses Steckert followed with a piano and mandolin selection. Miss Wainwright read an interesting paper entitled "My First Recital," which was followed by a piano solo by Miss Burkhim. Miss Burkhim is regarded as one of the finest pianists in the city, and upon this occasion she retained her reputation.

Miss Goode rendered a solo, "The Mission of a Rose," in her usual clever manner. Miss Goode is possessed of an elegant sweet voice, and never fails to attract her hearers.

This program was followed by the cantata, in which eight young ladies, with a chorus of twenty-five voices, took part. The cantata was a beautiful production, and was appreciated by the large crowd present. The voices in this cantata were under the direction of Mrs. Maretta Brooks, and reflected a great deal of credit upon that lady.

LAST NIGHT'S SPEAKING.

Good Crowd Gathered at Court House to Hear Discussion of Candidates.

Quite an audience assembled at the court house last night to hear the discussion of matters on the political situation by the various candidates.

The meeting was called to order and presided over by Mayor W. R. Thomas and a number of the candidates were present and presented their respective views.

Altogether the meeting was a pleasant one, and all candidates were given an attentive and respectful hearing.

Removing the Hyacinths.

For a long time the hyacinths have been a nuisance in the canal between Waldo and Melrose, and George Masters has undertaken by contract to remove them. Mr. Masters, who was in the city Friday, states that the work can be accomplished in a few months, but will be expensive. He has at present a force of nine men engaged, who are raking the hyacinths to the banks.

For some time the canal has been choked, and it has been impossible to get a regular steamer service between Waldo and Melrose, which has proven very inconvenient to the people of both towns. However, when the work of clearing the hyacinths away is completed, the regular schedule will be resumed.

NEWS OF CITY AND COUNTY CONDENSED

Among the prominent visitors to this city yesterday was Hon. N. A. Blitch of Montbrook, who was en route home from Palatka. Senator Blitch is a candidate for railroad commissioner, and appears to be quite popular among the voters of this district. He made The Sun an agreeable call, and expressed his regret that he was unable to attend the meeting here last night.

W. B. Higdon has received information that his brother-in-law, F. J Metty, and family, who reside in Oakland, California, received no injury from the recent severe earthquake which shook that State and brought millions of dollars of ruin. Mr. Metty and family are doing well, and the information of their safety was received by Mr. Higdon with a great deal of satisfaction.

Prof. J. H. Coffee of Waldo, principal of the Waldo High School, which has just closed after a most successful term, was in the city yesterday. Prof. Coffee is one of the most competent, as well as one of the most popular teachers, in the county, and the patrons of Waldo school are well pleased with his work. The Sun, in stating that the Waldo High School was the only institution in the county issuing diplomas this season, made a slight error. While this school was the only senior school issuing diplomas, there were junior schools which had graduates.

Pistol Shots in Cuban Congress.

Havana, May 11—During the session of the house of representatives Wednesday afternoon, two revolver shots were fired in the portion of the hall occupied by spectators, causing great excitement, several of the members of the house drawing weapons, fearing that it was a premeditated attempt to cause a riot. The man who fired the shots was arrested. His name is Garcia, and he is a veteran of the revolution.

W. R. Steckert, who left for San Francisco, California, shortly after the earthquake and fire, writes that he arrived safely, and that his sister, Miss Frances Steckert, who was quite sick, is much better. Friends here will be glad to learn of this, as they were anxious regarding the condition of the patient.

Black Snakes.

I have never seen black snakes over seven feet long and much doubt if they grow to a greater length. They are not hard to catch, though in an open field they can run about as fast as a man can. When caught, they struggle desperately until they find there is no opportunity to escape, when they will give up fighting and may be handled with impunity. I have never found these snakes to be vicious. They can be handled easily, and their bite is harmless. They can squeeze pretty hard if they get a turn around your waist, but not hard enough to break a bone.—Forest and Stream.

The Calm Spirit.

The people in all lines of duty who do the most work are the calmest, most unhurried people in the community. Duties never wildly chase each other in their lives. One task never turns another out nor ever compels hurried, and therefore imperfect, doing. The calm spirit works methodically, doing one thing at a time and doing it well, and it therefore works swiftly, though never appearing to be in haste. —Home Notes.

THE THROUGH SCHEDULE.

Passengers Well Pleased With Arrangement on Atlantic Coast Line.

The new schedule of the Atlantic Coast Line, which places elegant trains through Gainesville, is evidently a source of great satisfaction to the traveling public, as is evidenced by the following from The Times-Union of recent date:

"Traveling men generally, and especially the members of the Travelers' Protective Association, are greatly pleased with the new schedule of the Atlantic Coast Line's trains between Jacksonville and St. Petersburg via Lake Butler and Gainesville.

Some little time ago Col. M. Max Krauss, chairman of the railroad committee of the T. P. A., in behalf of the members of the organization who frequently have to travel on the Newberry division, or what was known as the old Jacksonville and Southwestern, petitioned the railroad officials for permission to ride on the freight trains on that division, and also for a Sunday train on the division.

"They say that they have now gotten even more than they asked for, and desire to express their appreciation of the action of the company in putting on through trains daily, over the division."

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally, I tried Foley's Kidney Cure and less than two bottles completely cured me, and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. J. W. McCollum & Co

Press Notice For June Designer.

The Designer for June is already hinting of vacation days. Mary Kilsyth contributes an interesting article, 'A Camp in the Woods," and Laura B. Starr one on "The Word's Children at Play," while the Vacation Suggestion Department supplies two practical outlines for spending a few weeks pleasantly and inexpensively. That bright little love story of a wilful maid, "A By-Path in Altruria," by Susie Bouchelle Waight, comes to a happy termination in this number, while "The Interest of Board-Winning" series continues in an excellent hint on "The Traveling Photographer." "Manners and Morals," are treated of in "Our American Daughters," by Bertha Gaus, and the short stories are contributed by Isabel T. Ray in "What One Girl Did," and by Hannah G. Fernald in "The Two Little Marys." Fancywork consists of embroidery, lace making, and souvenir postal cards: and "Home-Made Wedding Cakes" and Strawberries are paid special attention in the "Kitchen Kingdom" All kinds of summery garments are shown in the regular fashion department, and in addition to these are two articles, well illustrated, one on "Bathing Suits," and the other on "Summer Suits for Small Lads." "Finishing Summer Skirts" is treated of in "Points on Dressmaking," and the making of a lingerie hat is described in the "Millinery Lesson" All kinds of decorations for wash dresses and the latest in parasols are pictured and described.

War Against Consumption.

All nations are endeavoring to check the ravages of consumption, the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley's Honey and Tar is safe and certain in results. Ask for Foley's Honey and Tar and insist upon having it. J. W. McCollum & Co.

Hardly That.

THE VEGETABLE MOVEMENT.

Shipments Are Light Now, But Have Been Heavy From South Florida.

G. S Robertson, representing the Armour Car Lines, has returned from Webster and other points, where he has been in the interest of his line.

Mr. Robertson states that the movement of vegetables from the Webster section has been very heavy during the past season, but the shipments are light now, since a great deal of the crop has been moved.

"The cantaloupe and watermelon crop promises to be as heavy as has ever been seen in South Florida," Mr. Robertson said. "I am not particularly interested in the watermelon movement, but the crop will be fine, and the same may be said of cantaloupes. We expect to be moving cantaloupes about June 1."

Pirating Foley's Honey and Tar.

Foley & Co, Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

Man Pursues Wife and Brother.

Charleston, May 11.—Having been pursued from Macon, thence from Atlanta, next from Savannah, Mrs. Chas Jones, her 3-year-old daughter, and Oliver Jones are alleged to be in Charleston trying to avoid Charles Jones and his friends, of Jacksonville, who have been behind them ever since the brother left Jacksonville with Charles' wife and child. The pursuit is declared to be relentless by the husband, who stated Thursday that he will follow his brother and wife until at least his daughter is delivered to him. The detective force has been asked to give assistance in finding the missing parties.

The Elks are Prosperous.

Gainesville lodge No. 920, Benevolent and Protective Order of Elks, is still growing, and at every meeting new material is being taken in, representing, too, the best element of the country. The Elks is the coming order not only of Gainesville, but the State, and it is safe to feel when you meet an Elk that you meet some one in whom you can trust.

SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that eats the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the cuticle of hair growth, and nature did the work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

CLERK STEALS $100,000.

Philadelphia Brokerage Firm Robbed of Big Sum.

Philadelphia, Pa., May 11.—Charged with having embezzled upward of $100,000 from his employers Edwin S. Greenfield, head clerk of the banking and brokerage firm of Harrison, Snyder & Son, of this city, was arrested here Wednesday and held in $10,000 bail by a police magistrate for further hearing Thursday. In default of bail, he was sent to the county prison. Greenfield has made a full confession, and is doing everything possible to assist the firm in straightening out its tangled books.

Following the public announcement of the embezzlement, creditors filed a petition in bankruptcy against Geo. E. S. Snyder, trading as Harrison. Snyder & Son, in the United States court, and later Judge McPherson appointed Charles N. Voilum as receiver.

Greenfield is about 30 years of age, and has a wife and two children. He rose from the position of office boy to the position of head clerk and trusted representative of the banking house Greenfield said that he took money at different times during the last six years and that he lost most of it speculating in bucket shops. He could not give even an approximate figure of the money he had taken.

The acountants believe the amount of money embezzled will be considerably over $125,000, and may reach $175,000.

Palatka, Fla. BENJ. P. CALHOUN.

I respectfully announce that I am a candidate for the office of State's Attorney for the Eighth Judicial Circuit of Florida, composed of the counties of Alachua, Baker, Bradford, Levy and Putnam. I conceive the faithful and energetic discharge of the duties of the office to be a sacred obligation to the State, and, if the voters of the circuit favor me with the nomination, I pledge them that the interests of the State and of society shall not suffer through favor or negligence of mine.
THOS. W. FIELDING.
Starke, Florida.

For State Senator.

To the Democratic Voters of Alachua County:

I have, on various occasions, been earnestly requested to enter the race for State Senator from this county, and, until now, have declined to do so, because I had no desire to oppose the Honorable H. H. McCreary, who has rendered such valuable service to our county in the State Senate. But since he has withdrawn from the race I will be a candidate, subject to the Democratic primary.

Having served in both branches of the Legislature in the past, I feel that I am the better qualified to serve the best interests of our county at this important time.

Earnestly soliciting your support at the coming primary, I am your humble servant.
JOHN B. DELL.

In reference to my declination, which appeared in The Daily Sun of Mch. 20th, the same was made in what I conceived the interest of harmony. However, I have reconsidered same and am a candidate for the State Senate. H. H. McCREARY.

I respectfully announce my candidacy for the Democratic nomination as Senator for Alachua county (32d district), pledging my support of all measures in the interest of the masses as against the classes; and especially do I pledge my support and influence in aid of the common schools and maintenance of the State University upon a liberal basis such as will enable parents to obtain for their children a thorough education in their own State, as well as all measures tending to promote the religious and moral welfare of the entire people. Thanking my friends for their support in the past, and soliciting the vote of all Democrats at the coming primary, I am very respectfully. H. H. McCREARY.

For the Legislature.

At the solicitation of many friends I have consented to make the race for the Legislature and hereby announce myself as a candidate, subject to the Democratic primary.

Respectfully, THOMAS A. DOKE.

I announce myself a candidate for the Legislature at the coming primary, subject to the action of the Democratic voters of the county. If elected I will endeavor to make some very radical changes in the present divorce law. I am in favor of keeping the State University at Gainesville forever.
Alachua, Fla. CHAS. HODGE.

At the solicitation of friends I announce myself a candidate for Member of the House of Representatives, subject to the will of the people, as expressed at the Democratic primary election.

I shall favor the maintenance of the State University, now established in this county, with liberal appropriations for its development, and the advancement of public education throughout the State.

I believe in a Railroad Commission and shall support any legislation enlarging its powers and increasing its usefulness.

All measures tending toward the moral development and growth of our State will receive my hearty support.

For Tax Collector.

To the Voters and Tax-Payers of Alachua County:

I take this method to publicly thank you for the very liberal support you have given me in the past, and to announce my candidacy for re-election for ensuing term to the office of Tax Collector of Alachua county. The arduous duties of the office, at this, the closing period of 1905 collection, will entirely prevent my making a canvass of the county and seeing you in person, so I trust my friends throughout the county will remember me on the 15th of May at the various precincts, when casting ballots for the men of their choice to fill the respective offices now elective.
